

# CLAW MOUNT

A SMARTER PHONE HOLDER.

## INSTALLATION INSTRUCTIONS

### HOLD IT HERE.

Look at all the great stuff your smartphone can do, especially when you can see it! The Husky Liners Universal Cell Phone Holder mounts to any standard vent and keeps your beloved phone secure and viable, just how you like it.

### INSTRUCTIONS

1. Unscrew lock nut from backside of phone holder and slip over ball.
2. Firmly press the ball into the threaded socket located on the backside of phone holder.
3. Use bi-directional lever to clamp phone holder to air vent. One direction is tighter than the other.
4. Press quick release button located on lower backside of holder to open adjustable arms.
5. Insert phone and close adjustable arms.
